

# Quality Assurance Manager - Food

## County Antrim area

Job Type : Permanent  
Pay : £competitive  
Reference : 2172390

Closing Date: 6 June 2014

Hays Procurement and Supply Chain, Belfast are pleased to be recruiting for a Quality Assurance Manager on behalf of a NI top 100 company in County Antrim. The organisation are one of the UK's largest and most successful FMCG companies, and a key producer in EMEA. With numerous plants, over 12,000 employees and revenue in excess of £1 billion last year, this is your opportunity to become part of a global success story.

As Quality Assurance Manager, you will lead a team of Quality Assurance Auditors and report to the Assistant Technical Manager. You will be responsible for management of the technical and quality processes and procedures within the production environment, in order to ensure the compliance of customer and legal requirements, company objectives and key performance indicators.

Duties will include design, implementation, maintenance and continuous improvement of HACCP based Quality Management System. Additionally the co-ordination and management of the HACCP team and activities, as well as supporting the NPD Function to aid successful new product / process development.

This job has arisen due to company restructure to facilitate growth. You would be working in an extremely fast paced manufacturing environment and you should be prepared to make on the spot decisions.

The successful candidate must have substantial previous experience within a similar role in food manufacturing, to include auditing experience. Strong team leader qualities are essential. Working knowledge of BRC standard, HACCP, Food Legislation and Food Hygiene required. Preference will be given to candidates who, as well as the above, also have a third level qualification and training, project management and coaching skills.

If you meet the criteria above and are ready for a challenging opportunity, please submit your CV to [kelly.jennings@hays.com](mailto:kelly.jennings@hays.com).

This is just one of a number of Procurement and Supply Chain roles which Hays are currently recruiting for. If you or anyone you know anyone who would be interested in a role similar to this, please register your interest with us today.
