

Quality Assurance Supervisor Maternity Cover (Primary)

Working as part of our Quality team, we require a Quality Assurance Supervisor Maternity Cover. The successful candidate will assist with the effective and efficient running of the Primary Food Safety and Quality Department and provide cover in the absence of the FSQ Manager for the Primary site.

The Role:

- Overseeing all technical/quality assurance functions, with particular regard to food safety, quality, legality and customer/company compliance.
- Maintain site quality systems, particularly the quality manual.
- Liaise and communicate all necessary information to the QA department and Production Management team.
- Conduct team briefs as required.
- Assist with customer audits where necessary.

Applicants must have:

- GCSE Maths and English, or equivalent;
- Previous experience working in a quality assurance position in red meat processing is essential;
- Working knowledge of HACCP and BRC Management Systems;
- Self starter with a 'Can Do' attitude;
- PC proficient;
- Excellent verbal and written communication skills;
- The ability to work to tight deadlines;
- Excellent organizing skills with the ability of working on their own initiative;

Additional skills/ experience that would be an advantageous:

- Whilst not essential, a degree or HND in a food related discipline would be advantageous.
- Experience of preparing for audits would be advantageous.

This role operates on a Monday to Friday basis.
